Product Datasheet

RABBIT IgM (mu) (GOAT) Antibody
GRP1783

Species/Host	Goat
Conjugation	Unconjugated
Tested Applications	ELISA, IHC-P, WB
Form/Appearance	0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2
Concentration	90 mg/mL
Note	For research use only.
Isotype	Antiserum
Clonality	Polyclonal
Source	Rabbit IgM mu heavy chain
Dilution Range	ELISA: 1:20,000 - 1:100,000,Immunochemistry: 1:1,000 - 1:5,000,Western Blot: 1:2,000 - 1:10,000
Application Notes	Anti-Rabbit IgM antibody is suitable for use in ELISA, immunohistochemistry, and western blot. Specific conditions for reactivity should be optimized by the end user.
