

## Product Datasheet

### STAT2 pS734 (RABBIT) Antibody GRP3801

|                            |                                                                                                                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-STAT2 pS734 (RABBIT) Antibody                                                                                                                                                                                    |
| <b>Species/Host</b>        | Rabbit                                                                                                                                                                                                                |
| <b>Reactivity</b>          | Human, Monkey                                                                                                                                                                                                         |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                                          |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                                             |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                                                            |
| <b>Concentration</b>       | 0.64 mg/mL                                                                                                                                                                                                            |
| <b>Note</b>                | For research use only.                                                                                                                                                                                                |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                            |
| <b>Source</b>              | STAT2 pS734 antibody was prepared from whole rabbit serum produced by repeated immunizations with a phosphorylated synthetic peptide corresponding to serine 734 a region near the C-terminus of human STAT2 protein. |
| <b>Uniprot ID</b>          | <b>P52630</b>                                                                                                                                                                                                         |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene/6773">https://www.ncbi.nlm.nih.gov/gene/6773</a>                                                                                                                           |
| <b>Dilution Range</b>      | ELISA: 1:5,000, Western Blot: 1:1,000                                                                                                                                                                                 |

Western Blot -  
STAT2pS734
