Product Datasheet

STAT5 [Asym-dimethyl Arg31] (RABBIT) Antibody GRP3727

Description Anti-STAT5 [Asym-dimethyl Arg31] (RABBIT) Antibody

Species/Host Rabbit

Reactivity Human

Conjugation Unconjugated

Tested Applications ELISA, WB

Form/Appearance 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2

Concentration 1.05 mg/ml

Note For research use only.

Isotype IgG

Clonality Polyclonal

Source STAT5A [Asym-dimethyl Arg31] affinity purified antibody was

prepared from whole rabbit serum produced by repeated immunizations with a synthetic monomethylated peptide

surrounding Arginine 31 of human STAT.

Uniprot ID P42229

Dilution Range ELISA: 1:5000, Western Blot: 1:500

Anti-STAT5 R31-Me2a Antibody -Dot Blot
