

Product Datasheet

TRANSFERRIN (Human Serum) (RABBIT) Antibody GRP1763

Species/Host	Rabbit
Reactivity	Human
Conjugation	Unconjugated
Tested Applications	ELISA, IP, WB
Form/Appearance	0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2
Concentration	82 mg/mL
Note	For research use only.
Isotype	Antiserum
Clonality	Polyclonal
Source	Transferrin [Human Serum]
Dilution Range	ELISA: User Optimized, Immunoprecipitation: User Optimized, Western Blot: User Optimized

Anti Transferrin
antibody-Fluorescent
