### TRYPSIN INHIBITOR (RABBIT) Antibody GRP1655

|                            |                                                                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Soy Bean Trypsin Inhibitor is a serine protease inhibitor, an inhibitor of trypsin, therefore preventing the further breakdown of proteins. |
| <b>Species/Host</b>        | Rabbit                                                                                                                                      |
| <b>Reactivity</b>          | Plant                                                                                                                                       |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                |
| <b>Tested Applications</b> | ELISA, IHC-P, WB                                                                                                                            |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                  |
| <b>Concentration</b>       | 85 mg/mL                                                                                                                                    |
| <b>Note</b>                | For research use only.                                                                                                                      |
| <b>Isotype</b>             | Antiserum                                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                                                  |
| <b>Source</b>              | Trypsin Inhibitor [Soy Bean]                                                                                                                |
| <b>Uniprot ID</b>          | <b>P01070</b>                                                                                                                               |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene//547831">https://www.ncbi.nlm.nih.gov/gene//547831</a>                                           |
| <b>Dilution Range</b>      | ELISA: 1:3,000 - 1:15,000, Immunochemistry: User Optimized, Western Blot: 1:500 - 1:2,000                                                   |

Anti Trypsin Inhibitor  
Polyclonal  
Antibody-Western  
Blot
