# TRYPSIN INHIBITOR (RABBIT) Antibody Biotin Conjugated GRP2691

|                            |                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-TRYPSIN INHIBITOR (RABBIT) Antibody Biotin Conjugated                                        |
| <b>Species/Host</b>        | Rabbit                                                                                            |
| <b>Reactivity</b>          | Plant                                                                                             |
| <b>Conjugation</b>         | Biotin                                                                                            |
| <b>Tested Applications</b> | ELISA, WB                                                                                         |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                        |
| <b>Concentration</b>       | 1.0 mg/mL                                                                                         |
| <b>Note</b>                | For research use only.                                                                            |
| <b>Isotype</b>             | IgG                                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                                        |
| <b>Source</b>              | Trypsin Inhibitor [Lima Bean]                                                                     |
| <b>Uniprot ID</b>          | <b>P01070</b>                                                                                     |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene//547831">https://www.ncbi.nlm.nih.gov/gene//547831</a> |
| <b>Dilution Range</b>      | ELISA: 1:500 - 1:2,000, Western Blot: 1:250                                                       |

Dot Blot of Anti-Trypsin Inhibitor Antibody Biotin Conjugated
