### TRYPSINOGEN (RABBIT) Antibody GRP2529

|                            |                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-TRYPSINOGEN (RABBIT) Antibody                                                                |
| <b>Species/Host</b>        | Rabbit                                                                                            |
| <b>Reactivity</b>          | Bovine                                                                                            |
| <b>Conjugation</b>         | Unconjugated                                                                                      |
| <b>Tested Applications</b> | ELISA, WB                                                                                         |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                        |
| <b>Concentration</b>       | 1 mg/ml                                                                                           |
| <b>Note</b>                | For research use only.                                                                            |
| <b>Isotype</b>             | IgG                                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                                        |
| <b>Source</b>              | Trypsinogen [Bovine Pancreas]                                                                     |
| <b>Uniprot ID</b>          | <b>Q29463</b>                                                                                     |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene//282603">https://www.ncbi.nlm.nih.gov/gene//282603</a> |
| <b>Dilution Range</b>      | ELISA: 1:5,000 - 1:25,000, Western Blot: 1:500 - 1:3,000                                          |
