# F(ab')<sub>2</sub> GOAT IgG [H&L] (DONKEY) Antibody Biotin Conjugated Min X Ch GP Ham Hs Hu Ms Rb & Rt Serum Proteins GRP5457

|                            |                                                                                                                                |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | F(ab') <sub>2</sub> Anti-GOAT IgG [H&L] (DONKEY) Antibody Biotin<br>Conjugated Min X Ch GP Ham Hs Hu Ms Rb & Rt Serum Proteins |
| <b>Species/Host</b>        | Donkey                                                                                                                         |
| <b>Conjugation</b>         | Biotin                                                                                                                         |
| <b>Tested Applications</b> | ELISA, IHC-P, WB                                                                                                               |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                     |
| <b>Concentration</b>       | 1.0 mg/mL                                                                                                                      |
| <b>Note</b>                | For research use only.                                                                                                         |
| <b>Isotype</b>             | IgG F(ab') <sub>2</sub>                                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                                                     |
| <b>Source</b>              | Goat IgG whole molecule                                                                                                        |
| <b>Dilution Range</b>      | ELISA: 1:10,000 - 1:50,000, Immunochemistry: 1:500 -<br>1:3,000, Western Blot: 1:1,000 - 1:5,000                               |
