# F(ab')<sub>2</sub> MOUSE IgG F(c) (GOAT) Antibody Fluorescein Conjugated Min X Bv Hs & Hu Serum Proteins GRP10035

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | F(ab') <sub>2</sub> Anti-MOUSE IgG F(c) (GOAT) Antibody Fluorescein Conjugated Min X Bv Hs & Hu Serum Proteins   |
| <b>Species/Host</b>        | Goat                                                                                                             |
| <b>Conjugation</b>         | FITC                                                                                                             |
| <b>Tested Applications</b> | FC, IF, IHC-P                                                                                                    |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                       |
| <b>Concentration</b>       | 1.0 mg/mL                                                                                                        |
| <b>Note</b>                | For research use only.                                                                                           |
| <b>Isotype</b>             | IgG F(ab') <sub>2</sub>                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                       |
| <b>Source</b>              | Mouse IgG F(c) fragment                                                                                          |
| <b>Dilution Range</b>      | FLISA: 1:10,000 - 1:50,000, Flow Cytometry: 1:500 - 1:2,500, Fluorochrome: 5.0, IF Microscopy: 1:1,000 - 1:5,000 |

Dot Blot of F(ab')<sub>2</sub> Anti-Mouse IgG F(c) Antibody Fluorescein Conjugated
