

## Product Datasheet

### Anti-DAXX Purified GRP10719

<b>Description</b>	The mouse monoclonal antibody DAXX-01 recognizes Daxx, a cytoplasmic death domain containing protein mainly expressed in fetal and adult human and mouse tissue.
<b>Reactivity</b>	Human
<b>Tested Applications</b>	ICC, WB
<b>Immunogen</b>	Recombinant C-terminal part (aa 558-740) of human Daxx.
<b>Concentration</b>	1 mg/ml
<b>Storage</b>	Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.
<b>Note</b>	For research use only.
<b>Isotype</b>	Mouse IgG1
<b>Clonality</b>	Monoclonal
<b>Clone ID</b>	DAXX-01
<b>NCBI</b>	1616
