### Anti-Hu CD63 Purified GRP10939

|                            |                                                                                                                                                                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | The antibody MEM-259 reacts with an extracellular/luminal epitope of CD63 (LAMP-3), a 40-60 kDa tetraspan glycoprotein expressed by granulocytes, platelets, T cells, monocytes/macrophages and endothelial cells. Cell surface exposition of CD63 is usually activation-dependent. |
| <b>Reactivity</b>          | Human                                                                                                                                                                                                                                                                               |
| <b>Tested Applications</b> | FC, ICC, IHC-P, IP                                                                                                                                                                                                                                                                  |
| <b>Immunogen</b>           | HPB-ALL T cell line                                                                                                                                                                                                                                                                 |
| <b>Concentration</b>       | 1 mg/ml                                                                                                                                                                                                                                                                             |
| <b>Storage</b>             | Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.                                                                                                                                                                                               |
| <b>Note</b>                | For research use only.                                                                                                                                                                                                                                                              |
| <b>Isotype</b>             | Mouse IgG1                                                                                                                                                                                                                                                                          |
| <b>Clonality</b>           | Monoclonal                                                                                                                                                                                                                                                                          |
