

## Product Datasheet

### Anti-beta-Tubulin Purified GRP11845

<b>Description</b>	The antibody TU-12 recognizes an epitope located within aa 345-430 of C-terminal domain of beta-tubulin in various species.
<b>Reactivity</b>	Human, Mouse, Rat, Pig
<b>Tested Applications</b>	ICC, WB
<b>Immunogen</b>	Porcine brain microtubule protein MTP-1.
<b>Concentration</b>	1 mg/ml
<b>Storage</b>	Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.
<b>Note</b>	For research use only.
<b>Isotype</b>	Mouse IgM
<b>Clonality</b>	Monoclonal
<b>Clone ID</b>	TU-12
<b>Uniprot ID</b>	Q9H4B7
<b>NCBI</b>	81027
