

## Product Datasheet

### Anti-AGR3 Purified GRP11883

<b>Description</b>	The antibody AGR3.2 recognizes epitope QYSQALKKV within AGR3 (AG3) protein (19-20 kDa); secreted cytoplasmic protein which can serve as a marker of carcinogenesis.
<b>Reactivity</b>	Human
<b>Tested Applications</b>	ICC, IHC-Fr, WB
<b>Immunogen</b>	Purified human AGR3 protein
<b>Concentration</b>	1 mg/ml
<b>Storage</b>	Store at 2-8°C. Do not freeze. Do not use after expiration date stamped on the label.
<b>Note</b>	For research use only.
<b>Isotype</b>	Mouse IgG1
<b>Clonality</b>	Monoclonal
<b>Clone ID</b>	AGR3.2
<b>Uniprot ID</b>	Q8TD06
<b>NCBI</b>	155465
