

## Product Datasheet

### Syndecan 1 Polyclonal Antibody GRP379

|                            |                                                                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Cell surface proteoglycan that bears both heparan sulfate and chondroitin sulfate and that links the cytoskeleton to the interstitial matrix. |
| <b>Species/Host</b>        | Rabbit                                                                                                                                        |
| <b>Reactivity</b>          | Human, Mouse, Rat                                                                                                                             |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                  |
| <b>Tested Applications</b> | IHC-P, WB                                                                                                                                     |
| <b>Immunogen</b>           | KLH conjugated synthetic peptide derived from human CD138 (public_immunogen_range: 275-310/310)                                               |
| <b>Form/Appearance</b>     | Aqueous buffered solution containing 1% BSA, 50% glycerol and 0.09% sodium azide.                                                             |
| <b>Concentration</b>       | 1ug/ul                                                                                                                                        |
| <b>Storage</b>             | Store at -20°C for 12 months.                                                                                                                 |
| <b>Note</b>                | For research use only.                                                                                                                        |
| <b>Isotype</b>             | IgG                                                                                                                                           |
| <b>Clonality</b>           | Polyclonal                                                                                                                                    |
| <b>Purity</b>              | Purified by Protein A.                                                                                                                        |
| <b>Uniprot ID</b>          | <b>P18827</b>                                                                                                                                 |
| <b>Entrez</b>              | <b>6382</b>                                                                                                                                   |
| <b>Dilution Range</b>      | WB: 1:300-1000, IHC-P: 1:200-400                                                                                                              |

WB of GRP379

IHC-P of GRP379
