

## Product Datasheet

### ASPARTATE TRANSAMINASE (AST) (SHEEP) Antibody Biotin Conjugated GRP2753

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| <b>Description</b>         | Anti-ASPARTATE TRANSAMINASE (AST) (SHEEP) Antibody Biotin Conjugated |
| <b>Species/Host</b>        | Sheep                                                                |
| <b>Reactivity</b>          | Pig                                                                  |
| <b>Conjugation</b>         | Biotin                                                               |
| <b>Tested Applications</b> | ELISA, WB                                                            |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2           |
| <b>Concentration</b>       | 1.0 mg/mL                                                            |
| <b>Note</b>                | For research use only.                                               |
| <b>Isotype</b>             | IgG                                                                  |
| <b>Clonality</b>           | Polyclonal                                                           |
| <b>Source</b>              | Aspartate Aminotransferase (AST) [Pig Heart]                         |
| <b>Uniprot ID</b>          | <b>P00503</b>                                                        |
| <b>Entrez</b>              | <b>567</b>                                                           |
| <b>Dilution Range</b>      | ELISA: 1:5,000 - 1:25,000, Western Blot: 1:500 - 1:3,000             |
