

## Product Datasheet

### CARBOXYPEPTIDASE A (RABBIT) Antibody GRP2505

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-CARBOXYPEPTIDASE A (RABBIT) Antibody                                        |
| <b>Species/Host</b>        | Rabbit                                                                           |
| <b>Reactivity</b>          | Bovine                                                                           |
| <b>Conjugation</b>         | Unconjugated                                                                     |
| <b>Tested Applications</b> | ELISA, IHC-P, WB                                                                 |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                       |
| <b>Concentration</b>       | 1.0 mg/ml                                                                        |
| <b>Note</b>                | For research use only.                                                           |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Source</b>              | Carboxypeptidase A [Bovine Pancreas]                                             |
| <b>Uniprot ID</b>          | <b>P00730</b>                                                                    |
| <b>Entrez</b>              | <b>396766</b>                                                                    |
| <b>Dilution Range</b>      | ELISA: 1:250,000, Immunochemistry: User Optimized, Western Blot: 1:500 - 1:3,000 |

**Application Notes** Anti-Carboxypeptidase is suitable for use in ELISA, western blot, and immunohistochemistry. Specific conditions for reactivity should be optimized by the end user.

WB - Carboxypeptidase A Antibody
