

Product Datasheet

GLUCOSE OXIDASE (RABBIT) Antibody Peroxidase Conjugated GRP2565

Description	Anti-GLUCOSE OXIDASE (RABBIT) Antibody Peroxidase Conjugated
Species/Host	Rabbit
Reactivity	Fungi
Conjugation	HRP
Tested Applications	ELISA, IHC-P, WB
Form/Appearance	0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2
Concentration	1.0 mg/mL
Note	For research use only.
Isotype	IgG
Clonality	Polyclonal
Source	Glucose Oxidase [<i>Aspergillus niger</i>]
Uniprot ID	P13006
Entrez	23886
Dilution Range	ELISA: 1:5,000 - 1:25,000, Immunochemistry: 1:500 - 1:2,500, Western Blot: 1:1,000 - 1:5,000
Application Notes	Anti-Glucose Oxidase is useful in ELISA, western blot, and Immunohistochemistry. Optimal titers should be obtained by researcher.

Glucose Oxidase Antibody Peroxidase Conjugated - Western Blot
