

## Product Datasheet

### GUINEA PIG IgG (H&L) (RABBIT) Antibody GRP1711

|                     |                                                                                                                                                                                                                               |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Species/Host        | Rabbit                                                                                                                                                                                                                        |
| Conjugation         | Unconjugated                                                                                                                                                                                                                  |
| Tested Applications | ELISA, IHC-P, WB                                                                                                                                                                                                              |
| Form/Appearance     | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                                                                       |
| Concentration       | 70 mg/mL                                                                                                                                                                                                                      |
| Note                | For research use only.                                                                                                                                                                                                        |
| Isotype             | Antiserum                                                                                                                                                                                                                     |
| Clonality           | Polyclonal                                                                                                                                                                                                                    |
| Purity              | This product was prepared from monospecific antiserum by a delipidation and defibrination. Assay by immunoelectrophoresis resulted in a single precipitin arc against anti-rabbit serum, Guinea Pig IgG and Guinea Pig Serum. |
| Source              | Guinea Pig IgG whole molecule                                                                                                                                                                                                 |
| Entrez              | <b>4087</b>                                                                                                                                                                                                                   |
| Dilution Range      | ELISA: 1:20,000 - 1:100,000, Immunochemistry: 1:1,000 - 1:5,000, Western Blot: 1:2,000 - 1:10,000                                                                                                                             |
