

## Product Datasheet

### IDN3 (GOAT) Antibody GRP3277

|                            |                                                                                                                                                                                                            |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-IDN3 (GOAT) Antibody                                                                                                                                                                                  |
| <b>Species/Host</b>        | Goat                                                                                                                                                                                                       |
| <b>Reactivity</b>          | Human, Mouse                                                                                                                                                                                               |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                               |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                                  |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                                                 |
| <b>Concentration</b>       | 1.6 mg/mL                                                                                                                                                                                                  |
| <b>Note</b>                | For research use only.                                                                                                                                                                                     |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                                 |
| <b>Source</b>              | This affinity-purified antibody was prepared from whole goat serum produced by repeated immunizations with a synthetic peptide corresponding to an internal region near amino acids 330-365 of Human IDN3. |
| <b>Uniprot ID</b>          | <b>Q6KC79</b>                                                                                                                                                                                              |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene//25836">https://www.ncbi.nlm.nih.gov/gene//25836</a>                                                                                                            |
| <b>Dilution Range</b>      | ELISA: 1:2,000 - 1:10,000, Western Blot: 1:500 - 1:3,000                                                                                                                                                   |

Anti-IDN3 Antibody -  
Western  
Blot
