

Product Datasheet

MOUSE ? (lambda chain) (RABBIT) Antibody GRP4832

Description	Anti-MOUSE λ (lambda chain) (RABBIT) Antibody
Species/Host	Rabbit
Conjugation	Unconjugated
Tested Applications	ELISA, IHC-P, WB
Form/Appearance	0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2
Concentration	1.0 mg/mL
Note	For research use only.
Isotype	IgG
Clonality	Polyclonal
Source	Mouse lambda light chain
Dilution Range	ELISA: 1:40,000,Immunochemistry: 1:500 - 1:3,000,Western Blot: 1:1,000 - 1:10,000
Application Notes	Anti-Mouse lambda chain antibody is suitable for ELISA, western blot, and immunohistochemistry, as well as other assays requiring lot-to-lot consistency.
