

## Product Datasheet

### OspA (RABBIT) Antibody GRP2360

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-OspA (RABBIT) Antibody                                                                         |
| <b>Species/Host</b>        | Rabbit                                                                                              |
| <b>Reactivity</b>          | Bacteria                                                                                            |
| <b>Conjugation</b>         | Unconjugated                                                                                        |
| <b>Tested Applications</b> | ELISA, WB                                                                                           |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                          |
| <b>Concentration</b>       | 1.0 mg/mL                                                                                           |
| <b>Note</b>                | For research use only.                                                                              |
| <b>Isotype</b>             | IgG                                                                                                 |
| <b>Clonality</b>           | Polyclonal                                                                                          |
| <b>Source</b>              | MBP-fusion protein corresponding to Borrelia burgdorferi OspA protein.                              |
| <b>Uniprot ID</b>          | <b>P0CL66</b>                                                                                       |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene//1194357">https://www.ncbi.nlm.nih.gov/gene//1194357</a> |
| <b>Dilution Range</b>      | ELISA: >1:5,000, Western Blot: 1:1,000                                                              |

Anti-OspA Antibody -  
Western  
Blot
