

## Product Datasheet

### PIN1 [RABBIT] Antibody GRP3589

|                            |                                                                                                                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-PIN1 [RABBIT] Antibody                                                                                                                                                           |
| <b>Species/Host</b>        | Rabbit                                                                                                                                                                                |
| <b>Reactivity</b>          | Human                                                                                                                                                                                 |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                          |
| <b>Tested Applications</b> | ELISA, IHC-P, IP, WB                                                                                                                                                                  |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                            |
| <b>Concentration</b>       | 1.1 mg/mL                                                                                                                                                                             |
| <b>Note</b>                | For research use only.                                                                                                                                                                |
| <b>Isotype</b>             | IgG                                                                                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                            |
| <b>Source</b>              | This affinity purified antibody was prepared from whole rabbit serum produced by repeated immunizations with a synthetic peptide corresponding to an internal sequence of human Pin1. |
| <b>Uniprot ID</b>          | <b>Q13526</b>                                                                                                                                                                         |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene/5300">https://www.ncbi.nlm.nih.gov/gene/5300</a>                                                                                           |
| <b>Dilution Range</b>      | ELISA: 1:2,500 - 1:10,000, Immunochemistry: 5µg/mL, Immunoprecipitation: 1:100, Western Blot: 1:500 - 1:3,000                                                                         |

Immunohistochemistry of  
rabbit  
anti-PIN1 antibody
