

## Product Datasheet

### Protein Kinase C beta (RABBIT) Antibody GRP3618

|                            |                                                                                                                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Anti-Protein Kinase C beta (RABBIT) Antibody                                                                                                                                                         |
| <b>Species/Host</b>        | Rabbit                                                                                                                                                                                               |
| <b>Reactivity</b>          | Human                                                                                                                                                                                                |
| <b>Conjugation</b>         | Unconjugated                                                                                                                                                                                         |
| <b>Tested Applications</b> | ELISA, WB                                                                                                                                                                                            |
| <b>Form/Appearance</b>     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                                           |
| <b>Concentration</b>       | 1.0 mg/mL                                                                                                                                                                                            |
| <b>Note</b>                | For research use only.                                                                                                                                                                               |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                           |
| <b>Source</b>              | This affinity purified antibody was prepared from whole rabbit serum produced by repeated immunizations with a synthetic peptide corresponding to an internal region of human Protein kinase C beta. |
| <b>Uniprot ID</b>          | <b>P05771</b>                                                                                                                                                                                        |
| <b>Entrez</b>              | <a href="https://www.ncbi.nlm.nih.gov/gene//5579">https://www.ncbi.nlm.nih.gov/gene//5579</a>                                                                                                        |
| <b>Dilution Range</b>      | ELISA: 1:75,000 - 1:80,000, Western Blot: 1:1,000 - 1:2,000                                                                                                                                          |

Anti-PKC Beta Antibody -  
Western Blot
